ONLINE RATERS, AGENT PORTAL

We believe a successful partnership comes with ease of doing business. Our online raters and agent portal makes business easy for our member agents!

Online Raters

Our raters are designed to submit business online for a speedy transaction. The online rater submissions are treated as priority submissions. A completed application is generated for each submission with the ability to lock down the markets. We continually update our raters with the most current carrier and industry information.

Online Agent Portal

FEATURES

• Access to our proprietary Xpress Online Raters with 24/7 availability
• Online commission statements
• Information available for expiring policies
• Forms and Applications repository
• The ability to request loss runs from our automated system
• Agent Training calendar
• On-Demand Training Webinars
• Many digital online programs
